Gentlemen:

In the absence of Mr. Ellsberg I am acknowledging receipt  
of the page proof and manuscript of his review of the  
Siegel-Fouraker book, "Bargaining and Group Decision Making:  
Experiments in Bilateral Monopoly."

Mr. Ellsberg is traveling now and his itinerary is such that  
I am unable to forward the proof to him. It is anticipated  
that he will return by the latter part of next week, at which  
time this will be brought to his immediate attention.

Very truly yours,

Jill Christman  
Secretary to  
Daniel Ellsberg
